

My Health Record User guide

Immunisations

Viewing your immunisation history

There are two identification levels in My Health Record, 'basic' and 'complete'. To access your wider health information, you need to have a 'complete' identification level. To obtain this, you will need to upgrade your My Health Account login for extra security.

To view your immunisation history, you can select '**view immunisations**' button on the My Health Record homepage, or by selecting '**immunisations**' in the navigation bar.

Immunisations

Immunisation saves lives. Getting your tamariki immunised is one of the best ways to set them up for a healthy future. Vaccines on the National Immunisation Schedule are free for all tamariki under 18 in Aotearoa New Zealand.

Viewing your immunisation history | Identification level 'basic'

With basic access you will have a **limited view** of My Health Record features. On immunisations page you can see your COVID-19 vaccine records only. If you would like to see all your available records, you will need to upgrade your account to 'Identification level: Complete'.

- 1) Your **immunisation record** will be displayed on the immunisations page.
- 2) You can also **request a PDF copy of your immunisation record** to be emailed to you.
- 3) Select the **drop-down arrow** to see additional information about your immunisations.

How to book a vaccine (Book My Vaccine Portal)

You can book vaccinations for yourself, someone else, or a group via the 'Book My Vaccine Portal' in their My health Record.

1) Select the **'Book a vaccination'** link on the "I want to..." menu on your My Health Record.

2) You will be directed to the 'Book My Vaccine' site where you can **book a vaccine or change/edit a current booking.**

Finding Vaccine Information (via My Health Record)

You can find further vaccine information via your My Health Record.

1) On the Immunisations page, select the 'Find vaccine information' button in the 'I want to...' menu.

2) You will be directed to the Health New Zealand Te Whatu Ora Immunisations page.

On the Health New Zealand Te Whatu Ora Immunisation page, you can access key immunisation information, including:

- The National Immunisation Schedule
- Childhood immunisations
- Catching up on missed immunisations
- How to prepare for upcoming vaccinations
- Benefits of vaccinations
- Information on potential side effects, reactions and safety
